THE PBA SCHOOL NEWS CONTINUES...

## A NOTE FROM MR. EVANS

*Don't forget to register!*

*We have started our enrollment for next year. It is exciting to see all of the students that have already registered for the 2021-2022 school year! We give existing families priority by opening registration to you before we open it to new families.*

*Once we open registration to other groups it will be first come first serve. It is always hard to see current students go onto a waiting list because the parents waited too long. We are intentional about giving current families the first days to register followed by other groups that are connected with the school.*

*We will open our registration to the general public after spring Break. I want to encourage you to take advantage of this time to register.*

*When does registration start for each group -*

*March 2 – Current Students*

*March 8 – Last year's students who did not return because of COVID-19*

*March 10 – Church members and Siblings of current students*

*March 22 – Open for all*

*God bless,  
Bill Evans*
