## INTRODUCTION

### 1.1 Statement of Agreement

#### REQUIRED CONDITIONS OF ENROLLMENT AND STATEMENT OF AGREEMENT:

1. I understand that it is a privilege, and not a right, for my child to attend Peniel Baptist Academy ("PBA"). I further understand that all students are accepted on a probationary status. I further understand that the school reserves the right to dismiss any student who does not cooperate with any phase of the educational program and process, be it curricular or extracurricular, or whose attitudes and actions are not in harmony with the aims and ideals of PBA. I give PBA's administration full discretion in the discipline of my child, including reprimands, work detail, lunch isolation, probation, suspension, and expulsion from the school for conduct deemed by PBA to be improper, regardless of where the incident(s) giving rise to such discipline occurs.
2. In order to preserve the spiritual atmosphere nurtured at PBA, I understand that discipline will be more swiftly and rigorously enforced than in a public environment or in some other private schools. I further understand there may be times where I disagree with the discipline imposed upon my child. I further understand that in the event of such disagreement, I am to request a conference with the Administrator or his/her designee.
3. I agree to fully cooperate with PBA's administration regarding all actions requested of me pertaining to my child's or children's enrollment at the school and in the enforcement of its rules and policies. I agree to uphold the aims and ideals of the school and to encourage my child(ren) to likewise abide by the aims and ideals of the school.
4. I understand that my child's or children's continued enrollment at PBA is conditioned upon my prompt and timely payment of all tuition and fees (including late fees) and that PBA has the right to dismiss my child(ren) in the event that tuition and fees have not been paid to the satisfaction of the PBA administration. I further understand that in the event of withdrawal or expulsion of my child(ren) from PBA for any reason, I waive all rights to a refund of tuition and fees previously remitted and further understand that I shall remain obligated for any tuition and fees not yet having been paid.
5. I acknowledge receiving and reading a copy of PBA's Student Handbook before execution of this application. I agree that my child's or children's enrollment at PBA is subject to all terms and conditions of this handbook, which are fully incorporated herein by reference.

## **1.2 School History**

Peniel Baptist Academy began operating in August of 1971 being sponsored and funded by Peniel Baptist Church. The Academy initially began as a Daycare and Kindergarten facility with an enrollment of 22 students. In July of 1973, Peniel Baptist Church established the Academy's School Board which was intended to be and currently is the governing body of the school comprised of six Peniel Baptist Church members, including a chairman, elected by the church body. In August of 1982, with an enrollment of 151 from kindergarten through sixth grade, the Academy built and moved into the new educational building on Peniel Church Road. With increasing enrollment and public interest, Peniel Baptist Church expanded the school to include PK3 through 12th grade in August of 1993. The first graduation occurred on May 23, 1997.

Currently, grades PK2 through 12th are offered. Peniel Baptist Academy is entering its 47th year, "Educating Students to the Glory of God!"

## **1.3 School Incorporation and Governance**

Peniel Baptist Academy (PBA) is a ministry of Peniel Baptist Church (PBC). We are incorporated as a 501(c)3 non-profit organization under Peniel Baptist Church. The said church is the sole owner of this school facility and property.

The Senior Pastor of Peniel Baptist Church is the spiritual and administrative overseer of PBC and PBA. The PBA School Board has been delegated the governing authority by the Peniel Baptist Church for the spiritual and administrative supervision of PBA. The School Administrator has been delegated the responsibility and authority by the School Board for the spiritual and administrative management of PBA.

## **1.4 School Motto**

"Educating Students to the Glory of God!"

## **1.5 Mission Statement**

The mission of Peniel Baptist Academy is to support and help families by providing a safe, Christ-centered educational environment that teaches God's Word in such a way that each student will desire to pursue academic excellence, that each student will develop Christian character and values that promote proper relationships with God and man, and that each student will come to know Jesus as their personal Savior and communicate that belief to the world through his/her speech and conduct.

Furthermore, Peniel Baptist Academy desires to associate with like-minded people who will further the organization's religious purpose and beliefs. Each employee and the organization as a whole seeks to freely communicate its distinctly Christian beliefs through both speech & conduct, (Acts 4:12, Acts 1:8 and John 14:6).

## **1.6 Statement of Faith**

As a Christian academy, PBA is open to people of all Christian faiths. We are interested in fostering in our students the establishment of a living faith in God through His Son

Jesus in our students. All academic pursuits will be studied from a God-centered view of life. PBA uses the New King James, the King James, and the Holman Christian Standard versions of the Bible as the main study versions. We hold the Bible as our sole rule of faith and practice.

We believe:

1. The Bible is the inspired, infallible, and inerrant authoritative Word of God.
2. The deity of our Savior, the Lord Jesus Christ; His virgin birth; His sinless life; His life; His miracles; His vicarious and atoning death through His shed blood; His resurrection; His bodily return to earth.
3. That Jesus is the One and Only Begotten Son of God.
4. There is one God, existing eternally in three persons: the Father, the Son, and the Holy Spirit.
5. Every person is a sinner by nature and is in need of a Savior.
6. Salvation is the gift of God offered to man by His grace and received by personal faith in the Lord Jesus Christ.
7. In the ministry of the Holy Spirit.
8. The bodily resurrection of the saved unto life and the unsaved unto judgment.

#### **1.6.1 Statement on Marriage, Gender and Sexuality**

We believe that God wonderfully and immutably creates each person as male or female, and that these two distinct, complementary genders together reflect the image and nature of God. We believe that God created marriage to be exclusively the union of one man and one woman, and that intimate sexual activity is to occur exclusively within that union.

#### **1.6.2 Statement of Final Authority for Matters of Faith and Conduct**

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Peniel Baptist Academy's faith, doctrine, practice, policy, and discipline, our Pastor is PBA's final interpretive authority on the Bible's meaning and application.

#### **1.6.3 Statement of the Sanctity of Human Life**

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged and every other stage or condition from conception through natural death. We are therefore called to defend, protect and value all human life (Psalm 139).

### **1.7 Statement of Philosophy**

At Peniel Baptist Academy, the Christian philosophy of education has been developed from the Word of God as the sole rule of faith and practice.

We believe that the parents, church, school and its staff all play critical roles in meeting the total need of the child. The child, being a wonderful and distinctive creation of an

omnipotent God (Eph. 2:10), has the responsibility to strive to achieve excellence in academics and Christian character (Prov. 1:5). We believe that children are not only directly responsible to their parents and other authorities in their lives, but that they are also directly responsible to God for the direction of their lives.

We believe that each child should come to a saving knowledge of Jesus Christ (Rom 3:23, Rom 6:23). However, we know that the Bible clearly states that proper training begins in a Christian home (Eph 6:1-4). God's Word also delineates that it is the parent's responsibility to equip their child for life and for eternity. It is also the parent's responsibility to train their children to respect and obey the authorities in their lives. Concisely, we believe that parents have the God-given responsibility of educating, equipping, and training their children and that Peniel Baptist Academy acts as an extension of the Christian home.

Each of us is a Lighthouse! The vision of Peniel Baptist Church and Academy is to help parents and their children to increasingly know and love Jesus Christ and to intentionally make Him known to all people (Matt. 5:14-16). The mission of the church and academy is to exalt the Lord, to equip the laity and to evangelize the lost. In doing that, the purpose of the church and academy is to reach, teach, minister, and offer discipleship to our parents and students and to additionally fellowship and worship with them as well.

Peniel Baptist Academy is a support ministry for parents (Deut. 6:6-9). We believe that the responsibility of our school is to reinforce the Christian principles taught by parents and the church. It is our desire for children to reach their full potential in four specific areas: spiritually, academically, physically and socially (Luke 2:52).

- a) Spiritually, we believe that our school is responsible for preparing students so that they will be sensitive to God's calling on their lives.
- b) Academically, we believe that we should graduate students that are richly grounded, firmly planted and well prepared in academics that are based on the Word of God.
- c) Physically, we believe that we should help all students develop a positive self-image regarding the way that God created them.
- d) Socially, we believe that our purpose is to develop the ability, improve the manners and form the character of our students so that they can conform to Biblical standards of conduct, prosper in their chosen vocation and learn things that will enrich their lives.

All PBA staff must be believers in the Lord Jesus Christ (Deut.6:5). Our staff must also achieve excellence in their academic field of study by holding and maintaining educational degrees. Additionally, our staff must successfully educate the students in their class according to PBA standards, (Colossians 3:17, 23) which exceed the academic norms, treat students with worth, and provide consistent discipline. We believe that through committed Christian teachers with an intimate walk with Jesus we seek to lay the foundation for students to read and think for themselves, to hear the truth and accept the truth as their own (2 Tim. 2:15, Titus 2:7, 1Tim. 2:2).

We believe that we must incorporate programs at PBA, academic and otherwise, that are

in harmony with the Bible and will benefit our students, families and church. We strongly believe that all humanistic values (1John 2:16) that have infiltrated our society produce godless thinking and life styles and have no place at PBA. Our school motto, Educating Students to the Glory of God (1Cor. 10:31) mandates that all our educational programs be evaluated in view of its purpose, not current educational fads or structures.

In conclusion, PBA believes that it is the working relationships and cooperative efforts between the parents, church, school and its staff that is necessary to meet the total need of the child. To God be the glory!

## **1.8 Statement of Nondiscriminatory Policy**

Peniel Baptist Academy admits students regardless of race, color, or ethnic origin to all the rights, privileges, programs, and activities generally made available to students at the school. It does not discriminate on the basis of race, color, or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

## **1.9 Statement of Unacceptable Behavior**

### **1.9.1 Deviant Behavior**

Because, Peniel Baptist Academy believes that the Bible is the Inspired, Infallible, Inerrant, Authoritative Word of God, deviant behavior will not be tolerated. Genesis 1:26-28 tells us that God made man and woman and gave them the power of procreating within the marriage relationship and consistently condemns deviation from this relationship. In the spirit of God's Word, any sexual behavior such as homosexuality, incest, bisexuality, bestiality, lesbianism, LGBT, fornication and adultery on or off campus are considered deviant behaviors. Such activity may result in immediate expulsion (Rom. 1:24-28). Improper behavior, talk, or gestures among students may result in suspension or expulsion. Acts of sexual impurity or promiscuity will not be tolerated on or off campus, including verbal or electronic discussion of such acts.

### **1.9.2 Immoral Behavior**

Students who engage in any sexual activity will be expelled when the accusation has been proven true. The administration has a moral and legal responsibility to maintain suitable standards within the school and to assure the welfare and health of all students. In the event the administration has a reasonable suspicion that a student is pregnant, steps may be taken to verify it. If information cannot be obtained from either the students or their parents or guardians, the administration shall suspend the students until such time as medical proof is presented. A student who is pregnant will not be allowed to attend PBA nor visit with other students during school hours.

## **1.10 Accreditation and Affiliations**

Peniel Baptist Academy, having satisfied the accreditation standards of the Florida Association of Christian Colleges and Schools (FACCS), has been awarded the status of Full Accreditation. FACCS is affiliated at the national level with the National Council for Private School Accreditation (NCPSA).

PBA is also an affiliate member of the Florida High School Athletic Association (FHSAA), a founding member of the Florida Christian Athletic League, and Florida Christian Association of Private and Parochial Schools (FCAPPS). Our teams play and participate in events with both public and private schools.

### **1.11 Specification of Faculty**

Teachers at Peniel Baptist Academy have the proper spiritual, academic and character qualifications. All administration, faculty and staff are required to be born-again Christians and regularly attend a Bible-believing church. Also, all employees are required to pass a Level 2 background screening (local, state and federal) and must attest to good moral character. At the preschool level, PBA strives to employ teachers that have a minimum of a state CDA and/or a two year college degree. In Kindergarten through the 12th grade, PBA strives to employ teachers that are college graduates and are certified by the Florida Association of Christian Colleges and Schools (FACCS). Each teacher embraces a Christian philosophy of education. These teachers carry out, under direction of the school administration, the purpose of the institution in the classroom and on the campus which is to "Educate Students to the Glory of God!"

### **1.12 Facility Use Policy**

The church/school's facilities were provided through God's benevolence and by the sacrificial generosity of church members. The church desires that its facilities be used for the fellowship of the Body of Christ and to bring God glory. In no event shall persons or groups who hold, advance, or advocate beliefs, or advance, advocate, or engage in practices that contradict the church's faith use any church/school facility. Nor may church/school facilities be used in any way that contradicts the church's faith. This policy applies to all church/school facilities, regardless of whether the facilities are connected to the church's sanctuary, because the church sees all of its property as holy and set apart to worship God (Col. 3:17). The pastor or official designee must approve all uses of church/school facilities.

### **1.13 Disclaimer**

No handbook serves to contractually bind the school in any way. All academy handbooks are subject to change without notice by the school's governing body.

## **ADMISSIONS**

### **2.1 Admissions Policy**

PBA accepts all students upon successful completion of the enrollment procedures without regard to race, color, or ethnicity (see the "Statement of Non-Discrimination Policy"). However, the final decision for admission rests on there being evidence that the parent(s) and student(s) share in the goals of the school.

Because a **high standard of conduct is expected of each student**, a careful analysis of

each application is made. Each prospective student's records are examined with the understanding that the administration reserves the right not to accept a student or to recommend a lower grade placement for the student.

Although PBA's academic emphasis is not exclusively college preparatory, students are accepted on the assumption that they can perform at least average work. Any student accepted under special academic consideration must maintain an acceptable performance level as determined by the school administration in order to remain enrolled, **and parents will be expected to give additional help at home.** Unfortunately, PBA is unable to meet the needs of the severely learning disabled, mentally or emotionally handicapped children.

**2.3.2** Parents of students transferring from another school must provide PBA with the previous school's address so that the student's cumulative records may be transferred.

**2.3.3** Students entering K-12th grades may be required to take an entrance examination. The School Administration reserves the right to recommend a lower grade placement or not admit a student based upon their entrance examination results in relationship with their previous academic performance.

**2.3.4** Parents and students may be asked to participate in a personal interview with the School Administration. Previous records detailing the student's past school performance will be required during this interview, e.g. report cards and transcripts.

**2.3.5** Admission is never automatic. Students and their families must clearly support the belief systems and lifestyles representative of the academy's religious beliefs and mission. Any indication otherwise may terminate the admissions process at any time.

## **2.4 Re-Enrollment Procedures**

PBA reserves the right to refuse re-enrollment to students or students of families who have demonstrated disharmony regarding the purpose, objectives, standards, policies, rules and regulations of Peniel Baptist Academy.

## **2.5 Transfer Credit Policy**

Peniel Baptist Academy shall accept and classify transfer credits earned or grade placement from schools that are accredited by a recognized national, regional or state accrediting agency without further validation. Peniel Baptist Academy may accept credits or grade placement from non-accredited schools when validated by one or more of the following procedures: a review of the student's academic record, an analysis of a sending school's curriculum, a review of a portfolio of student work, or through an assessment of scholastic performance (see the "Alternative Validation Procedure").

### **2.5.1 Credit Transfer Procedure**

Credits earned and offered for acceptance shall be based on official transcripts and shall be accepted at face value subject to validation if required by Peniel Baptist Academy's accreditation standards. If validation of the official transcript is deemed necessary, or if the student does not possess an official transcript, credits shall be validated through performance during the first grading period as described in the "Validation Procedure".

### **2.5.2 Validation Procedure**

Validation of credits shall be based on performance in classes during the first grading period that the student is enrolled at Peniel Baptist Academy. A student transferring into PBA shall be placed at the appropriate sequential course level and should have a minimum grade point average of 2.0 at the end of the first grading period. Students who do not meet this requirement shall have credit validated using the “Alternative Validation Procedure”.

### **2.5.3 Alternative Validation Procedure**

If validation based on performance as described above is not satisfactory, then any one of the following alternatives shall be used for validation purposes as determined by the Administration of Peniel Baptist Academy:

- a. Portfolio evaluation by the School Administration;
- b. Written recommendation by a FACCS certified or Florida certified teacher selected by the parent and approved by the School Administration;
- c. Demonstrated performance in courses taken through dual enrollment or at other public or private accredited schools;
- d. Demonstrated proficiencies on nationally-normed standardized subject area assessments;
- e. Demonstrated proficiencies on the FSA; or
- f. Written review of the criteria utilized for a given subject provided by the former school.

## **2.6 Dismissal Policy**

Parents will be asked to withdraw their child(ren), or the Administrator may administratively withdraw students for the following reasons:

1. Parents will not cooperate with the administration of the school and its policies.
2. A student's conduct, attitude or lack of academic effort or excessive absences makes it mandatory for that child to withdraw from Peniel Baptist Academy. In some cases, expulsion may be necessary.
3. Tuition is fifteen days delinquent without satisfactory arrangements having been made with the administration.

## 3. FINANCIAL INFORMATION

### 3.1 Tuition/Fees

#### 3.1.1 Tuition and Fee Schedule

Peniel Baptist Academy publishes a new Tuition and Fee schedule each school year. This schedule can be found in the front office or at [www.penieltwarriors.org](http://www.penieltwarriors.org). Any discounts available for the school year will be included on the schedule.

#### 3.1.2 Daycare Program Fees

Peniel Baptist Academy publishes new daycare rates each school year. These rates can be found on the Tuition and Fee Schedule which is available in the front office or at [www.penieltwarriors.org](http://www.penieltwarriors.org). **Monthly daycare fees are due at the beginning of each month regardless of the number of school days in a month. Parents that utilize Daycare on an as needed basis shall pay fees by the last day of the month in which the charges were incurred, or daycare will not be provided for the following month.**

PK2-12th grade students must go to daycare and charges will be applied if students are not picked up at the following times:

- Half-Day PK2-PK4: Daycare charges are applied beginning at 12:15 pm.
- K-12th: Daycare charges are applied beginning at 3:00 pm. Students who attend extra-curricular activities after school will be charged for daycare if they are not picked up at the completion of the activity.

The following charges will be assessed for all students not picked up by 6:00 p.m.:

For every 15 additional minutes after 6:00 pm = \$25.00 per 1/4 hour.

#### 3.1.3 Lunch Fees

K-12th grade students may purchase a hot lunch by the day or students may purchase a Lunch Card which is redeemable for 20 lunches. If a student requests a hot lunch without paying at that time, a Lunch Card will be automatically charged to that student's account for 20 lunches.

Full-time PK2-PK4 students' hot lunch fees are included in the monthly tuition.

#### 3.1.4 Kindergarten Graduation Fee

The Kindergarten class cap and gown for graduation is \$20.00. This will be added to the student's account in the month of April.

#### 3.1.5 Student Athletics Fee

All annual sports fees will be \$50 per sport for the first two sports (with the exception of

football which is \$200) and \$30 if they play a third sport. The Cheerleading fee is \$75 per year. **Athletic fees must be paid by the established due date for each sport for your child to be able to participate.**

### **3.1.7 PSAT Testing Fee**

PBA requires all Juniors to take the PSAT (Preliminary Scholastic Aptitude Test). This fee is set by the testing agency. The fee is at least \$15.00. Students will be responsible for paying the testing fee to PBA either before or on the day of the test. All unpaid fees will be added to your account.

### **3.1.8 Home School Cooperative Program Fee**

Classes are offered to home school students at a rate of \$60.00 per month per class. Home school students are responsible to buy their own books (see "Home School Cooperative Program").

## **3.2 Financial Policies**

### **3.2.1 Payment of Tuition and Fees**

Tuition may be paid in one payment or 10 monthly payments. **Monthly charges or one time fees must be paid by the dates published on the tuition and fee schedule.**

Payments may be made by cash, credit card, debit card, check, money order or by ACH payment from a checking account.

Monthly statements are sent to families with an account balance.

### **3.2.3 Late Charges**

If tuition is not paid by the 5th of that month, a \$50.00 late fee will be charged. Failure to pay by the 15th of the month may result in the student being dismissed from PBA.

A \$20.00 service charge will be assessed for each returned check.

### **3.2.4 Records Policy**

Any family accounts not paid current will result in:

- final report cards and graduation diplomas denied issuance
- transcripts will not be transferred to other institutions or given to any students
- re-enrollment for the coming school year will not be allowed

A current account implies that ALL and ANY fees incurred by the student at PBA for any reason is paid. These fees include, but are NOT limited to, the following: tuition, lunch charges, athletic fees/equipment, daycare fees, late fees, library fees, graduation fees, outstanding fundraising monies, etc.

### **3.2.5 Refund Policy**

**THE REGISTRATION, SUPPLY, BOOK FEES, AND TECH FEES ARE NON-REFUNDABLE SHOULD THE STUDENT CANCEL OR WITHDRAW.**

(Exception: PBA will refund the registration if there are not enough students to form an anticipated class or the student is on a waiting list.)

If a student withdraws by the 15th of the month, one-half month's tuition will be refunded. There will be no refund on withdrawals after the 15th. It is helpful if parents give the school a two-week notice when withdrawing a student.

There are no refunds due to absences, holidays, or emergency situations.

### **3.2.6 Textbook Policy**

For any books that are lost, stolen, or damaged beyond usability, it is the responsibility of the student to purchase a replacement textbook in a timely manner. A textbook is considered lost if it is missing for more than three consecutive class days.

The book fee does not cover 100% of the book costs. Therefore, a student may be asked to turn in his/her textbook for summer storage if the student will need the book more than once.

In addition, PBA reserves the right to require students to use certain books in the classroom only. This is good stewardship for all parties.

### **3.2.7 Withdrawal Policy**

Withdrawals from the academy must be made through the school office. Parents must complete a Withdrawal Form through the front office so that we may institute the appropriate withdrawal procedures. Official records are not given to parents or students but are only transferred by request from school to school. No records will be transferred on the same day a student withdraws. **No records are transferred when there is still an outstanding balance on the family's account.**

## **4. GENERAL INFORMATION**

### **4.1 Closed Campus Policy**

PBA operates as a "closed campus" which means that only students, administration, faculty and staff are permitted on campus during school hours. For our school's security, all visitors and/or PBA parents must first report to the front office, sign in, and wear a campus visitor's pass before they may enter the campus. Visitors not following this protocol will be asked to return to the office or exit the campus.

For the benefit of parents, PBA offers an after school program on a monthly fee basis **for students attending our school**. In order for a student to be in daycare, he/she must attend school that day. Enrollment in this program should be done at registration since this is available on a first-come, first-served basis due to enrollment capacities. Daycare is a set program in which students have time for snack, homework and outside play/inside activities. Students are expected to follow all school rules in daycare including the dress code. This program is available until 6:00 in the evening. Daycare is available on teacher planning days and half-days; however, daycare is **not** available during holidays and other school closings.

#### **4.11 Health and Medication**

Parents are to inform the front office of all health problems that their child has at the beginning of the school year or when such a problem arises. Special problems include vision and hearing problems, diabetes, seizures, recent surgery, medication, or anything that might limit the student's performance at school.

##### **4.11.1 Illness Policy**

Peniel Baptist Academy strives to maintain a healthy learning environment for all students. If a student is ill, he/she should remain home. A student must be fever free (below 100°F) for twenty-four hours before returning to school. A student who is ill cannot concentrate on his/her school work and needlessly exposes other students to the same illness. If a student has stayed home for three or more days due to illness, a doctor's note must be turned in to the office when the student returns to school in order for it to be excused. (See Excused Absence Policy).

Students who become ill at school should tell their teacher and report to the office. If a student is running a temperature above 100°F, has diarrhea, or is experiencing other signs of apparent illness, the front office will contact the parent for student pick-up. **Parents are required to pick up their child within 1 hour of notification.**

The following are guidelines for many common illnesses:

- **Viral Sore Throats, Colds:** Child must be able to participate in all school activities and should not be tired or listless. Severe coughs must be under control. *Temperature must be normal for 24 hours, without fever reducing medication.*

- **Conjunctivitis (Pink Eye):** Child must be under treatment for at least 24 hours and no longer contagious. Eye must not be draining.
- **Chickenpox (Shingles):** Notify the school if you suspect your child has chickenpox or shingles. Child may return to school when every pustule is dry and scabbed over.
- **Head Lice:** Head lice can become a problem if not dealt with immediately. We reserve the right to conduct periodic head checks. If a student is found to be infested, the parent will be notified **and the student will need to be picked up immediately.** The student's hair must be treated and all lice and nits removed, live or dead, before a child will be permitted to return to school. **Parents must accompany their child into school the day of their return and wait until a PBA employee checks the child's hair before the child may return to school.**

#### 4.11.2 Medications at School Policy

2. All medicine must have the original prescription label including the name of the doctor, the name of the child, and dispensation directions. Over-the-counter

medication cannot be administered by PBA without a written prescription from the doctor on file. This includes Tylenol, cough syrup, stomach medicine, etc.

3. A new Medication Administration Form must be filled out for each new medicine.

4. During school hours, students are not allowed to carry on their person prescription or over-the-counter medicines with the exception of inhalers and Epi-pens. Students with asthma will be allowed to have their inhaler with them at all times. Teachers will be responsible for any student's Epi-pen.

5. Medication left in the school clinic at the end of the school year will be discarded if not picked up.

#### **4.11.3 Communicable Disease Policy**

PBA desires to maintain a healthy school environment by instituting controls designed to prevent the spread of communicable diseases. The term “communicable disease” shall mean an illness which arises as a result of a specific infectious agent which may be transmitted whether directly or indirectly by a susceptible host, infected person, or animal to other persons.

Any student or employee with a communicable disease for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability. Students and employees with a communicable disease for which immunization is not available shall be excluded from school while ill. If the nature of the disease and circumstances warrant, an independent physician’s examination of the student or employee to verify the diagnosis of communicable disease will be required. This school reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

A teacher or administrative official who reasonably suspects that a student or employee has a communicable disease shall immediately notify the administrator. See list of communicable diseases:

This includes visits to the school office which are not initiated by the staff or administration. Within a nine-week period, 6th-12th grade students who miss 5 or more cumulative periods, not in one particular class, but in any classes combined, will be counted as one full day's absence. Seniors who observe a half day schedule who miss 3 or more cumulative periods, not in one particular class, but in any classes combined, will be counted as one full day's absence.

### 5.3.2 Excused Absences

In order for your child to gain the most in school, he or she must be regular in attendance.

**ALL STUDENTS RETURNING FROM AN ABSENCE FOR ANY REASON MUST PRESENT THE OFFICE A DATED NOTE SIGNED BY THE PARENT/GUARDIAN EXPLAINING THE REASON FOR THE ABSENCE.** The office will issue the student an admit slip marked excused or unexcused according to the following criteria:

- Excused absences are limited to student illness, death in the immediate family, or doctor/dentist appointments; however, doctors/dentist appointments are to be scheduled before or after school hours.
- **Notes from parents that are not received by the school office within 3 days of the absence will not be accepted and the absence will remain unexcused (see "Unexcused Absences" policy).**
- *If a student has missed three or more consecutive days of school due to illness, a doctor's note must be turned in to the office within 2 weeks of the student's return to school in order for it to be excused. A parent note will not suffice.*
- Family trips must be cleared through the school at least **one week prior** to the trip in order to be excused, and allow ample time to gather the student's work, which must be completed and turned in the day after they return to school. Approval for family trips is based upon the number of days the student has missed, the student's academic progress, and discipline review.

### 5.3.3 Unexcused Absences

UNEXCUSED ABSENCES WILL RESULT IN A ZERO FOR ALL MISSED WORK. AN UNEXCUSED ABSENCE(S) DURING MID-TERM OR FINAL EXAMS WILL LOWER THE SEMESTER GRADE ONE FULL LETTER.

Please note that three unexcused tardies within a nine-week period equal one unexcused absence AND three unexcused afternoon checkouts within a nine-week period equal one unexcused absence (see "Tardiness to School", "Tardiness to Class" and "Excessive Checkouts from School").

**PLEASE NOTE: The Administration holds the right to inform the proper local/state authorities in the instance that the student's absences are excessive and/or not due to known extenuating circumstances.**

### 5.3.4 Maximum Days Missed Policy

**PK4:** In order for PK4 students to meet their required instructional clock hours per year, **students may not miss more than 36 days in year.** This includes excused and unexcused absences.

**K-8th Grades:** In order for K-8th grade students to meet their required instructional clock hours per year, **students may not miss more than 10 days in a semester and 20 days for the year.** This includes excused and unexcused absences.

**9th-12th Grades:** In order for 9th-12th grade students to meet their required instructional clocks hours per year, **students may not miss more than 9 days within a semester and 18 days for the year.** This includes excused and unexcused absences. Please note that the Florida Legislature enacted requirements (Section 322.091, F.S.) that students who attain the age of 14 and accumulate 15 unexcused absences in a period of 90 calendar days be ineligible to receive or maintain driving privileges.

A conference with the administrator will be required if a student is in danger of exceeding their maximum days.

### 5.3.5 Make-Up Work

**IT IS THE REPONSIBILITY OF THE STUDENT TO CHECK WITH THEIR CLASSROOM TEACHER IMMEDIATELY UPON RETURNING TO SCHOOL TO GET ALL ASSIGNMENTS MISSED.** Make-up work must be done to the satisfaction of the teacher. Work not made up will go on record as a zero. If a student was absent due to illness, at least one day for each day absent will be allowed to complete make-up work. Long-term assignments will be due on time. Students who have been absent due to approved family trips must have assignments completed by the day after they return.

#### **5.4 Tardiness to School**

Tardies are disruptive to the classroom and also have an adverse effect on your child's educational progress. Please make sure that your child arrives on time. **ANY STUDENT ARRIVING AFTER 8:00 A.M. (7:45 A.M. FOR 6TH-12TH GRADES) MUST COME THROUGH THE OFFICE WITH A NOTE SIGNED BY THE PARENT/GUARDIAN STATING THE REASON FOR TARDINESS.** The office will issue the student an admit slip marked excused or unexcused according to the following criteria:

- Excused tardies are limited for student illness, doctor/dentist appointments and traffic.
- A traffic tardy is for construction and/or wrecks only. Students may only receive three excused traffic tardies per nine-weeks.

**THREE UNEXCUSED TARDIES IN A NINE-WEEK PERIOD WILL RESULT IN ONE UNEXCUSED ABSENCE** and a referral for noncompliance to the attendance policy. Students will be given appropriate discipline at the discretion of administration which may include, but is not limited to, work detail, lunch isolation, or removal from team practice or game.

#### **5.5 Tardiness to Class (6th-12th Grade)**

Middle School and High School students are expected to be on time to all periods during the day. Students will be counted tardy unless they are in their seats ready for class.

**THREE UNEXCUSED TARDIES TO CLASS IN A NINE-WEEK PERIOD RESULTS IN AN UNEXCUSED ABSENCE FOR THAT PERIOD.**

Classwork missed due to being late may not be made up and a zero grade will be given. More than 3 tardies to class in a 9-week period will result in a referral and appropriate discipline at the discretion of administration which may include, but is not limited to work detail, lunch isolation, or removal from sports team practice or game.

Students may not earn the nine-week "Perfect Attendance" award if they have 5 or more cumulative unexcused tardies, not in one particular class, but in any classes combined during the nine-weeks.

#### **5.6 Excessive Checkouts from School**

Afternoon/early checkouts from school are disruptive to the classroom and also have an adverse effect on your child's educational progress. Please guard your child's school time from excessive afternoon checkouts. All afternoon checkouts will be considered unexcused except for student illness, doctor/dentist appointments or extreme family emergencies.

#### **5.7 Leaving the Campus**

This school operates under the “closed campus” policy. Once a student arrives on school property in the morning, he/she is not to leave until he/she is dismissed from PBA in the afternoon.

### **5.8 Sports Attendance Rules**

6th-12th grade students must be in school at least half a day the day of the sports event in order to participate in that day’s game (cannot checkout before 11:30 am, or must check in by 12:00 pm). Seniors who observe a half day schedule must be in school for two full periods the day of the sports event in order to participate in that day's game.

### **5.9 Homebound Policy**

There is a homebound program in place for students with severe medical needs. Students must be placed on homebound studies by a physician. The placement must be for a minimum of three weeks and a maximum of six weeks. Since homebound studies cannot be extended for more than six weeks, if more time is necessary, it is advised that the student be withdrawn and placed in a home school program. All work must be picked up, returned and coordinated through the front office. Students are not allowed to participate in extracurricular activities (i.e. athletics, field trips, etc.) while on the homebound program.

## **6. COMMUNICATION BETWEEN HOME & SCHOOL**

**6.1** Parents who need to talk to a teacher during school hours or before/after school should make an appointment by contacting the teacher via email, voicemail, or a note. Parents should contact the teacher first through the methods mentioned above. If after meeting with the teacher the parent feels that the Administration needs to be involved, he/she may schedule an appointment through the front office.

### **6.3 Grievance Procedures**

The common goals of Christian teachers and parents can be more readily achieved when a respectful, open relationship exists between the home and the school. Therefore, special mention is made of the best method for communicating with the school concerning problems and complaints. Please use the following guidelines for ways to handle any problem that may arise during the school year:

1. When a problem/situation occurs, the parent must first contact the teacher.
2. If a conference is needed, please contact the teacher to arrange the appointment.
3. Should the problem still not be solved, a conference with parent, teacher, and administration may be necessary. Please contact the Administrator to schedule an appointment. All grievances are to be submitted in writing and given to the Administrator. If, after an Administrative conference, the grievance issue has not been satisfactorily resolved, the Senior Pastor may be included in the resolution

process. The Pastor and Administrator may then recommend the issue to the School Board, at which time their decision will be considered final.

4. Legal Arbitration: (**Citation:** I Corinthians 6:1-8) Believing that lawsuits between believers are prohibited by Scripture, all parents, guardians and students at PBA agree to submit to binding arbitration any matters which cannot be otherwise resolved and expressly waive any and all rights in law and equity to bringing any civil disagreement before a court of law, except that judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

In the event of any dispute, claim, question, or disagreement arising out of or relating to the policies or procedures in this handbook or any other school matter, the parties shall use their best efforts to settle such disputes, claims, question, or disagreement as befits Christians. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests not to disgrace the name of Christ, seek to reach a just and equitable solution. If they do not reach such solution within a period of sixty (60) days, then upon notice by either party to the other, disputes, claims, question, or differences shall be finally settled by arbitration as described above.

Should any dispute involve matters of school discipline, the arbitrators shall be limited to determining whether procedures for school discipline as outlined in this handbook were followed.

#### **6.4 Parent-Teacher Organization**

The PTO is an integral part of our total school program. The PTO sponsors regularly scheduled meetings designed to inform parents of what is going on in the school, inspire parents through students' presentations, and give parents a voice at PBA. PTO parent members are largely responsible for the many special activities and events at PBA. The PTO operates **only** in an advisory capacity.

## **7. TRANSPORTATION**

Failure to follow these guidelines may result in a student's dismissal from PBA. We take student safety very seriously. PBA will not be responsible for any accidents, including those resulting from a parent's or student's failure to follow these guidelines.

### **7.1 Parent-Provided Transportation**

1. A.M. Procedures:
  - All students PK2-5th grade must be dropped off UNDER THE COVERED DRIVE THROUGH OR WALKED IN THROUGH THE MAIN ENTRANCE BY PARENTS. Parents may not drop a **PK2-5th grade student at any of the side or back entrances.** We do not make exceptions for **PK2-5th** grade students who have older siblings that are

dropped off in the back.

*When dropping off students under the covered drive through, parents are asked to wait in their vehicle until their child is unloaded by a school employee.*

***PARENTS ARE ASKED NOT TO LEAVE THEIR VEHICLES UNATTENDED IN THE DROP-OFF AREA AT ANY TIME.***

6th-12th grade students may be dropped off at the back entrance at the times listed below. For safety reasons, students arriving before 7:30 a.m. must be dropped off under the covered drive at the main entrance and go to the cafeteria.

2. P.M. Procedures:

- All parents picking up PK2-5th grade students must pick up students UNDER THE COVERED DRIVE THROUGH. **Due to safety issues associated with overcrowding in the front office, parents of K-12th grade students are asked NOT to wait in the front office between 2:30 pm-2:45 pm.** In addition, PK2-5th grade students who have older siblings must still be picked up at the main drive. (For parent's convenience, the older child may be picked up in the main drive.) PBA does not make any exceptions to this rule.

*When picking up students under the covered drive through, parents are asked to put the child's name in the lower right corner of their windshield (on the dashboard) to expedite the loading process. Parents are also asked to wait in their vehicle until their child is ready to be loaded into the vehicle by a school employee. **PARENTS WHO LEAVE THEIR VEHICLE UNATTENDED CAUSE OTHER PARENTS TO BE BLOCKED IN AND INCONVENIENCED.***

- 6th-12th grade students may be picked up at the back entrance between the times listed below. Students not picked up by these times below will be required to go to daycare and parents must pick them up through the covered drive at the main entrance.

K-5th grade:	2:35 p.m. - 3:00 p.m.
6th-12th grade:	2:45 p.m. - 3:00 p.m.

## 7.2 Student-Provided Transportation

Students who drive to/from school must meet and follow this criteria. Any violations of the following may result in the temporary or permanent loss of driving privileges:

- Student drivers must park their vehicles in an orderly manner in the school parking lot. High school seniors may chose a parking spot on the east side of the retention pond to use for the school year
- Students may not go to any vehicle during school hours.

- Reckless driving or driving above 15 mph is prohibited.
- Students may not drive across the P.E. field and must drive only on the designated roads.
- Upon arrival at school, students are to leave their cars and the parking area and go immediately to first period. **There is to be no loitering in the parking area before or after school.**
- Seniors who leave early for work release or joint enrollment purposes must sign out through the front office.

Bicycles may be ridden to school provided the office is notified, helmets are worn, and bikes are kept in designated areas (see "School Parking Map"). Bike riders/walkers should leave campus promptly after school is dismissed.

### 7.3 Sign-In and Sign-Out Procedures

**Sign-In Procedures:** Parents of PK2-PK3 students *must sign in their child* through the front office if they arrive after 8:00 a.m. Parents of PK4-12th grade students *must send in a note* as to the reason for their child's tardiness (see "Tardiness to School").

All parents and visitors must sign in through the front office.

**Sign-Out Procedures:** If a student is being picked up before the end of the school day or after 3p.m., parents *must sign their child out through the front office*. All early checkouts for PK4-12th grade students will be considered unexcused except for student illness, doctor/dentist appointments or extreme family emergencies.

*Parents who would like to have other parents, friends and /or relatives pick-up their child* who was NOT listed as an emergency contact on the "Medical and Emergency Information" form completed during registration **MUST send a dated and signed note assigning permission for their child to go home with that person.** WE WILL NOT RELEASE STUDENTS UNLESS THIS NOTE IS RECEIVED. THE OFFICE WILL REQUIRE PHOTO ID OF ALL PERSONS WHO ARE NOT KNOWN TO OFFICE PERSONNEL.

### 7.4 Field Trip Transportation

Parents who have volunteered to drive for field trips must complete the Field Trip Driver's Form and provide required documentation. All students are required to wear a safety restraint when being transported. Respectfully, PBA requests that parents who chaperone other students besides their own child(ren) only play Christian music or refrain from using the vehicle's sound system.

**STUDENTS MAY NOT PROVIDE TRANSPORTATION FOR OTHER STUDENTS DURING FIELD TRIPS OR ANY SCHOOL FUNCTION.**

## 8. ACADEMICS

### 8.1 Curriculum

PBA uses Bob Jones University (BJU) Curriculum for grades PK2-12<sup>th</sup>. A combination of other Christian curricula may be used for courses such as Computer, Music, Art and other electives. In areas where there is not a Christian curriculum available, we have taken the utmost concern in choosing a curriculum that can be adapted to meet our philosophy of **Christian** education. We reserve the right to adjust curriculum to meet the needs of our students.

### 8.2 Steno Pads

1st-5th grade students are required to keep a homework steno. Parents need to review the steno daily in order to be aware of academic requirements for their child. . **Parents are asked to not sign the steno pad unless they are positive that the assignments have been completed.** Students are to use the same steno all year and no pages should be torn out.

### 8.3 Test Packets

Teachers of K-5th grade students send home weekly test packets either on Monday or Tuesday. Parents should sign the packet and return it promptly to the teacher within the determined time frame.

Parents of 6th-12th grade students may make an appointment with your child's teacher to review tests.

### 8.4 Homework

Homework is designed to help students retain the day's teaching. It is not assigned just for homework's sake and we take homework completion very seriously. Students are expected to complete ALL of the homework assignments each day and return them on time.

Late homework and assignments will have 10 points deducted for each day late up to two days. After two days, the grade is a zero and may not be made up. Teachers will contact parents/guardians of students who show a pattern of turning in late work.

No new homework will be assigned on Wednesday nights allowing families to attend church services.

### 8.5 P.E.

Physical Education is a requirement for all students in grades PK4-5th grade; 6th-8th grade students must complete one semester of P.E each year and Sr. High students are required to complete 1 credit of P.E during their high school years. **STUDENTS MAY ONLY BE EXEMPT FROM P.E. WITH A DOCTOR'S NOTE.**

K-12th grade students must "dress out" for PE. Students will be provided an

alternative activity if they are not appropriately dressed for PE. See “P.E. Clothing” section of the handbook.

**8.7 Competitions**

PBA emphasizes the development of our students in all areas of study. We like to challenge our students by involving our school in FACCS competitions. We currently are involved in the following annual competitions:

1. FACCS Creative Writing Competition
2. FACCS and County Spelling Bee Competition
3. FACCS Junior High (3rd-9th) and Sr. High (9th-12th) Fine Arts Festival

**8.8 Standardized Testing**

All K-12th grade students are given achievement tests in the spring of each year to measure their achievement in the areas of English, math, science, and social studies. Parents are provided with copies of the testing results.

**8.10 Home School Cooperative Program**

Peniel Baptist Academy offers our home school cooperative to those home school families who have needs in certain subject areas that they are unable to complete within their home setting (Chemistry, Foreign Language, etc.) Home school students will be accepted into this program based upon their incoming transcript and their performance during the first grading period. Further credit validation procedures are detailed in the "Transfer Credit Policy". All home school courses are \$60 a month per class. There are no refunds if the course is dropped after the second week.

Home school students enrolled in PBA classes will be required to follow ALL school policies including dress code, attendance, class procedures and discipline procedures. Students will be graded according to Peniel Baptist Academy's set grading scale which is aligned with the State Uniform Grading Scale.

Home school students may participate with Peniel Baptist Academy in our extracurricular activities programs. These students are required to follow all guidelines for extracurricular activities as set by Peniel Baptist Academy.

**8.11 Grading Scale**

GPA is arrived by totaling all value points and dividing total by number of courses. All Joint/Dual Enrollment (college courses) and honors courses follow the weighted GPA chart.

<u>Numerical</u>	<u>Letter Grade</u>	<u>GPA Value</u>	<u>Weighted GPA</u>

### 8.12 Progress Reports

Progress reports are issued in the middle of every nine weeks in order to inform parents of their child's current progress. (See school calendar for exact dates.) Current grades are also available on MySchoolWorx for you to review.

### 8.15 Report Cards

Report cards are issued the Friday following the end of a nine-week grading period. (See school calendar for exact dates). Current grades are also available on MySchoolWorx for you to review.

### 8.16 Honor Roll

Honor roll is compiled after each nine-week's grading period and is made up of the following:

1. A Honor Roll— students who have made all A's and/or E's/G's.
2. A/B Honor Roll—students who have made all A's and B's and/or all E's/G's.

Student must have made at least one A to be on the A/B honor roll.

Penmanship grades, activity class grades, dual and joint enrollment classes and the total conduct grade are also included when determining honor roll eligibility.

Incompletes on a report card not made up by the time the honor roll list is due automatically disqualifies that student from the honor roll.

Kindergarten students will not receive a formal report card the first nine-weeks in order to give them time to adjust to the new curriculum and environment. They will not qualify for the honor roll during the first nine-weeks. Kindergarten students will receive grades for the second, third and fourth nine-weeks based on a mastery scale (E,G,S,N,U) and will be able to qualify for the honor roll during those nine-weeks and for the year. In order to determine honor roll, E = A and G = B.

## 8.17 End of the Year Awards

Awards will be given to students who:

- earned A Honor Roll for all grading periods
- earned A/B Honor Roll for all grading periods
- earned perfect attendance for all grading periods

A student must have earned A/B Honor Roll for each of the four nine-weeks in order to earn the A/B Honor Roll for the year.

A student must have earned Perfect Attendance for each of the four nine-weeks in order to earn the Perfect Attendance Award for the year.

## 8.18 Promotion Policies

Alg, PERT—104 Reading and 106 Math.***

b. Any failure of a semester (earning a 59 or below) by a student will cause him/her to receive no credit for that semester. The student will be required to take online remediation courses through FLVS or Bob Jones University during summer vacation, or repeat the course in the upcoming school year. Administration will make the final decision regarding which option is utilized. If remediation is unsuccessful, enrollment for the upcoming school year will be jeopardized. Administration will decide whether the student will be accepted for the upcoming school year based on the best interests of the school.

c. Any exceptions to the above regulations must be approved by the Administrator.

## **8.20 Plagiarism/Cheating**

Plagiarism/cheating is the act of using or passing off as one's own the ideas or writings of another. Common types of plagiarism/cheating are: turning in another student's work as your own, copying answers or writings from another person's paper, source text or internet site, and/or not providing proper documentation or citation for materials (including internet sites) used when writing a paper.

K-5th Grade:

Second Offense - Student will receive a suspension from school.

Third Offense – Expulsion from school

## **8.21 Probation (Academic)**

A student who is having academic difficulty will be placed on Academic Probation. This action informs the student that teachers and administration are focusing on their academic difficulties with a view to bring them back to the desired academic level.

Students will be placed on Academic Probation for the following reasons. These ARE NOT all-inclusive reasons. The administration may place a student on academic

probation for other reasons than those stated below:

- Any student who enters PBA or begins a new school year at PBA with a GPA below a cumulative 2.0 ("C" average).
- Any student whose cumulative GPA falls under a 2.0 ("C" average) at the semester grading period.

Probation gives the student an opportunity to correct a serious academic problem. Students will be removed from all athletic or extracurricular activities (clubs, committees, field trips, etc.) until the probation period is over. Students may not practice with teams, travel with teams or attend meetings while on probation. The Administration will set the terms of the probation (including the items that must be improved and the time limit of the probation period) and parents will be notified. **Students can expect that a probation period will most likely cover a nine-week period.**

**\*New students will be on a 45 day (calendar) probation period.**

### **8.25.1 College Examinations.**

**PSAT:** All Juniors are required to take the PSAT. Students are responsible for the cost of the test. It is a practice SAT test and gives them the opportunity to qualify for the National Merit Scholarship.

**ASVAB:** All Sophomores, Juniors and non-military bound Seniors take the ASVAB during the spring of each year. This is a free test that PBA uses as a career and skill exploration tool. This test is also used by the military as an entrance test. Taking the test does not obligate the students for the military.

**ACT/SAT:** *Before graduating, all seniors are required to meet the following score requirements: ACT—18 Reading and 15 Math, SAT— 420 Reading and 340 Math, CPT—83 Reading Comp and 65 Elem. Alg, or PERT—104 Reading and 106 Math.* STUDENTS SHOULD PLAN TO TAKE AT LEAST ONE OF THESE TESTS BY THE END OF THE 1ST SEMESTER OF THEIR JUNIOR YEAR. Students may opt to take the test sooner if they plan on Dual/Joint Enrollment at the college level. Students can take these tests as many times as desired. PBA is not responsible for the ACT/SAT test fees or for the scheduling of ACT/SAT tests.

### **8.25.2 Dropping or Adding a Course**

Permission from the Administrator is required for a student to drop or add a course after enrollment. No course may be dropped or added after the second week of each semester. After this date, a student dropping of a course will receive a grade of "F" in the course.

### **8.25.3 Senior Exemption for Final Examinations**

**ALL 9TH-11TH GRADE STUDENTS ARE REQUIRED TO TAKE THEIR MID-TERM (FIRST SEMESTER) AND FINAL (SECOND SEMESTER)**

## EXAMS.

Seniors may be exempt from their final exams by following the exemption policy described below:

1. Obtained a B average or better in the first semester with no “C” and not less than a “B” in the third and fourth nine-week period
2. Have no referrals to the office
3. Have no unexcused absences

Any unexcused absences will prevent a high school student from being exempt even if their grades fall within the above criteria. This includes unexcused absences obtained from unexcused tardies.

### 8.25.4 Church Related Absences/Visits to Colleges

Students may have a total of 5 days of excused absences for the year *for church related trips or visits to colleges*. All trips must be pre-approved a week in advance with a written note to the Administrator from the parents and a request from the student's pastor/youth pastor regarding the church related absence or documentation from a college admissions counselor regarding the college visit. The requests from the pastor/youth pastor or college admissions counselor should include the names of any PBA students attending, the nature of the trip and the dates of absences.

The academic requirements for graduation from PBA are developed to meet or exceed the course of study prescribed by the Florida Department of Education.

A student earns no credit for a course unless the course is completed (see “Promotion Policies”) and all required work finished and submitted to the teacher by the due dates. Any special arrangements must be made with the approval of the teacher and the Administration.

Graduating seniors who have successfully completed all courses are required to march in the graduation exercises. Seniors who do not meet all the graduation requirements listed above (GPA, college test scores, virtual course, 24 credits, attendance) may be excluded from participating in the graduation exercise at the discretion of the Administrator.

#### **8.25.6 Guidance**

Guidance is available for personal, academic, and vocational needs through the school. Students are urged to seek out the Administration or faculty members for help in any of these areas. God has promised to give wisdom to those who seek it (Proverbs 3:5-6).

#### **8.25.7 Honor Graduates/Valedictorian and Salutatorian**

Based upon the following GPA’s, PBA seniors are eligible for honor graduate status:

- a. Summa Cum Laude... 3.7-4.0
- b. Magna Cum Laude... 3.4-3.69
- c. Cum Laude... 3.0-3.39

Valedictorians and Salutatorians must have at least an overall 3.0 in order to be considered for these positions. The candidate with the highest GPA over 3.0 will be awarded the position.

#### **8.25.8 Honors Courses**

The requirements for acceptance into an honors course are as follows:

1. Students must currently have and continue to maintain a 3.0 cumulative GPA each nine-weeks. A cumulative GPA includes all classes taken (standard classes, honors courses, electives, joint enrollment, etc.). Receiving an “F” in a nine-week period in any class will result in automatic ineligibility from the honors program until the next school year.
2. Students must have earned an “A” or “B” as the final grade in the course most recently completed. For example: If a student wanted to take English II they must have earned a final grade of “B” or higher in English I.

3. If a student earned an “A”, only parents must sign the honors course form giving permission for their child to take the honors course.
4. If a student earned a “B”, parents, the student’s teacher, and Administration must sign the honors course form stating that they believe the student can successfully complete honors coursework.
5. Once completed, students must sign the bottom of the honors course form and turn it in to the front office.
6. The Administration makes the final decision on ALL honors placement.
7. If a student wishes to drop out of an honors course once it is in progress, the parent (s), student and the teacher must sign a drop form. No course may be dropped or added after the second week of each semester. Students will not be dropped from the course until this is completed. Students will not receive honors credit for a course unless they have completed a full semester’s work (first /second nine weeks or third/fourth nine weeks).

### **8.25.9 Dual Enrollment Program**

In recent years, the Dual Enrollment program has been under-utilized by students. In an effort to revitalize this program and expand class options for Juniors and Seniors, a pilot project is being launched for the 2017-2018 school year. The pilot program will follow the guidelines listed below:

The Dual Enrollment program at Peniel Baptist Academy provides eligible juniors and seniors with the opportunity to earn college credits while in high school. Classes will be taken from Florida Baptist College to insure continuity with PBA’s Christ-centered, Bible-based curriculum. The Dual Enrollment classes approved by Administration may be taken “in place” of PBA coursework.

Starting the fall of their junior year, eligible students may take Florida Baptist College courses. Courses are taken online during school hours in the “EDGE Lab”. PBA provides a facilitator for this lab who assists students with the pacing of their coursework and helps keep parents informed of their child’s progress in the course.

PBA will pay the tuition for the authorized courses. Students are responsible for purchasing all books for their college courses. Students will be responsible for paying for the course if they make a “D” or lower, or if they withdraw from the course. This charge will be placed on the student’s school account.

Requirements for participation in the Florida Baptist College Dual Enrollment Pilot Program:

- Be a PBA Junior or Senior
- Have a 2.7 or greater GPA
- Have taken or be registered to take the ACT or SAT
- Demonstrate Christ-like **maturity, motivation, dependability and academic ability** to perform satisfactorily in these college courses.

### **8.25.10 Joint Enrollment Program with St Johns River State College**

Contact PBA's office regarding the availability of joint enrollment for the 2017-18 school year. The Joint Enrollment program at Peniel Baptist Academy/Saint Johns River State College (SJRS) provides eligible high school students with the opportunity to earn college credits while in high school. SJRS courses, being of a secular nature, **MAY NOT REPLACE PBA CLASSES BUT MAY BE TAKEN IN ADDITION TO PBA BIBLE-BASED, CHRIST-CENTERED COURSES.**

During the school year, Joint Enrollment classes must be scheduled after school hours. Seniors may schedule classes after 12:00 p.m.

### **8.25.12 Transcripts**

PBA does not release official transcripts or records directly to students or parents unless they provide the office with an official homeschool letter from the local county school board. When transferring to a new school, PBA requires that the new school provide the office with a written request (fax or email) for the student's cumulative records.

Seniors or graduates who need their high school transcripts sent to a college and/or university must contact the front office and provide the name and address of the college. Seniors or graduates requesting large numbers of transcripts may be asked to provide stamped, self-addressed envelopes to help defray the cost of mailing and postage. Transcripts will not be transferred to other institutions or given to any student whose account is not paid current.

## **9. DISCIPLINE**

*"My son, despise not the chastening of the Lord; neither be weary of his correction; For whom the Lord loveth, he correcteth; even as a father the son in whom he delighteth."  
(Proverbs 3:11-12)*

### **9.1 Discipline System**

#### **9.1.1 Policy**

PBA is dedicated to teaching and training its students in a program that is God-centered. We believe our students should be taught to sense a God-given responsibility and to behave honorably in all things. Thus, discipline is maintained with firmness and consistency, tempered with love. Our discipline motto is: Unconditional love.....uncompromising truth.

#### **9.1.2 Philosophy**

PBA believes that the full intent of discipline should be not only to correct behavior but also to encourage and train an individual in methods and behavior pleasing to God. Discipline for correction must be done so in love, measured with grace and compassion. Discipline must never be vindictive or administered in anger.

### 9.1.3 Objectives

To create an optimum environment for learning.

To correct behavior that is disruptive or detrimental to the learning environment.

To train children in behavior that will help both the individual and the school in upholding goals of spiritual, academic, physical and social growth.

### 9.1.4 Responsibilities of Students, Teachers and Parents

*Students* are responsible under God to obey and show respect for parents, teachers and Administrators 24 hours a day, 7 days a week, 365 days a year, on and off campus. They are also responsible for helping to maintain a positive learning environment.

*Teachers are expected to* maintain standards of conduct in the classroom through kindness, love and a genuine regard for their students. However, when disciplinary action is needed it will be carried out with firmness based on good judgment, understanding and love. It will be the *teacher's* responsibility first, through personal observations, and whatever other means deemed practical, to uphold the School's Discipline Policy in their classroom. It shall be the *Administrator's* responsibility to be available for teacher, parent and student conferences to discuss discipline problems, give helpful counsel and determine disciplinary action as needed.

Parents are responsible for training their children to respect and obey the authorities in their lives. Concisely, we believe that parents have the God-given responsibility of educating, equipping, and training their children and **that Peniel Baptist Academy acts as an extension of the Christian home.** Parents must understand that it is a privilege, and not a right, for their child to attend Peniel Baptist Academy ("PBA"). Further, parents must understand that all students are accepted on a **probationary status, and that the school reserves the right to dismiss any student who does not cooperate with any phase of the educational program and process**, (curricular or otherwise). Additionally, if the student's attitudes and actions are not in harmony with the aims and ideals of PBA, he may be dismissed. Parents are to give PBA's administration full discretion in the discipline of their child, including the issuing of referrals, suspension (in-school or out), and expulsion from the school for conduct deemed by PBA to be improper, regardless of where the incident(s) giving rise to such discipline occurs. Parents also must understand that in order to preserve the spiritual atmosphere nurtured at PBA, discipline will be more swiftly and rigorously enforced than in a public environment or in some other private schools. If parents have a question or disagreement regarding any disciplinary action, it is the parent's responsibility to discuss the situation with the individual teacher and not to share that situation with other parents, faculty, or students. If a situation is not resolved with the teacher in question, the parent may contact the administration. (See the "Grievance

### **9.1.5 Policy Limits**

The Discipline Policy applies to students while they are on campus, in PBA authorized vehicles, or at recognized school functions. While behavior at other times or places is an individual and parental responsibility, behavior that impairs the testimony of the school cannot be ignored. Therefore, behavior offenses which occur outside the limits of this policy will be considered as to their severity and impact on the school’s reputation and may result in disciplinary actions up to and including dismissal from the school.

## **9.2 Student Code of Christian Conduct**

PBA is not a **remedial school** for children with below normal academic abilities nor is it a disciplinary school for the unruly. Such students need special attention in a specialized situation. Conduct deemed by PBA Administration to be destructive to Christian growth and fellowship is not to be tolerated. To safeguard PBA, its students and supporters, the following standards have been enacted. Any student who fails to consistently strive to follow these standards will be dismissed from PBA.

Because PBA students represent the school at all times, (both on and off campus), it should be understood that conduct which brings discredit to the student, his/her family, the reputation and stature of the school and its community, or the Lord Jesus Christ may result in disciplinary action, including expulsion from the school.

Disclaimer: Failure to comply with expected standards of conduct will subject the student to potential disciplinary action, up to and including expulsion or dismissal. In fact, the school has the right to discipline or ask a student to withdraw for any reason.

### **9.2.1 Relationships**

The Bible is very explicit as to the proper relationships of the two sexes before marriage. Wholesome boy-girl relationships are natural. However, it is the position of the administration that young people are not ready for intimate relationships. On campus and at any school function, students may not sit closer than 6 inches from each other or show any kind of physical contact, which includes holding hands, kissing, or unnecessary touching of any type. If the administration becomes aware of any such activity, the students involved may be expelled.

### **9.2.2 Conduct on Campus**

Students are expected to maintain a high level of proper conduct for an educational environment. PBA expects students to be:

**Willing to Work**  
**Active Learners**  
**Respectful**  
**Responsible**  
**Innovative**  
**On Time**

## Result in Success

### **9.2.4 Conduct Concerning Sexual Orientation and Gender Identity**

1. Students will dress in conformance with their biological sex.
2. Students will use the restrooms, locker rooms, and changing facilities conforming with their biological sex.
3. Students will abstain from any and all intimate sexual conduct, as God's Word specifies that any such activity outside the marital union of one man and one woman is sinful, and, therefore, not acceptable behavior for academy students. (Gen. 2:24, Exod. 20:14). (See also Statement on Marriage, Gender and Sexuality section)

### **9.2.5 Preschool Discipline Procedures (PK2-PK4)**

It is our belief that our PK 2-PK4 year students are still in early stages of development and that discipline will be handled in a timely manner with each infraction used as a teachable moment.

Teachers are not to report every childish behavior to the front office nor to the parent.

1. Each child will be taught acceptable behavior.
2. Good behavior will be praised and rewarded openly.
3. Each behavior episode will be handled in love and by making an attempt to correct inappropriate behavior.
4. A "refocus" moment may be used to calm your child.
5. The teacher will notify parent of any continual discipline moments, seeking parents input dealing with their child.
6. If inappropriate behavior issues cannot be resolved with parent/teacher communication, parent/teacher/administration conference may be needed.
7. In a child's inappropriate behavior becomes severe, the parent will be called to pick up your child. Dismissal from our Preschool program may occur.

### **9.2.6 Unacceptable Behavior (K-12th)**

Unacceptable behavior differs in its severity, and thus, will receive different discipline action according to its severity. The following are examples of behavior that would receive a discipline action. **This is not an exhaustive list.** Examples not listed will be dealt with at the discretion of the teacher or Administration.

Discipline actions may include: Reprimand, Work detail, Lunch isolation, Probation, Suspension, Expulsion

### **9.2.7 Minor Infractions**

Behavior infractions may be handled as teachable moments and documented in the teacher's incident log. Any unacceptable behavior that is persistent, the teacher will begin the process of filling out a Classroom Infraction report which

may lead to a referral.

### **9.2.7 Major Infractions**

These behavior infractions will result in the teacher filling out a Classroom Infraction report and parent notification.

- Cheating
- Disrupting the school/classroom environment
- Forgery of parent's signature
- Harassment
- Inappropriate books, magazines, or music
- Lying
- Self-medication
- Skipping class
- Disrespectful language
- Speeding or reckless driving

### **9.2.8 Severe Infractions**

These behaviors warrant an immediate referral and parent notification:

- Pulling the fire alarm
- Leaving campus without authorization
- Tampering with or damaging school or teacher's property
- Bullying
- Arguing with faculty or staff
- Cheating-multiple acts or conspiring to cheat
- Extortion
- Fighting on campus (first offense)
- Fondling (inappropriate touching, sexual acts, etc.)
- Open Defiance
- Possession of firecrackers, smoke bombs, etc.
- Rebellion - acts of or inciting others
- Stealing
- Alcohol/Tobacco products-carrying or using on or off campus
- Threats of physical abuse to any person or to property
- Profanity

Teachers will enter the behavior into the system as a referral and call the front office for assistance.

### **9.2.9 Expulsion Infractions**

Teachers will immediately report this to the Administration, send the student to the front office, and enter the behavior into the referral system. If warranted, the Administration will contact law enforcement.

- Acts of immorality - on or off campus

Alcoholic beverages - brining or using alcohol on or off campus  
Arrest - referral to juvenile justice system, misdemeanor, or felony  
Arson  
Bomb threats  
Drugs (OTC or illicit) possessing, selling, or using on or off campus  
Explosive/incendiary materials - possessing or using  
Fighting - second offense  
Gambling  
Inappropriate conduct concerning sexual orientation and gender identity  
Pornography - possession on campus, including internet access  
Vandalism - breaking in/damaging campus property  
Weapons:  
A. Possessing any personal item intended to harm, including pocket knives.  
B. Possessing any weapon of violence, (guns, knives, etc.)

**Note: In all areas of discipline, Administration is the final authority in determining the appropriate disciplinary action for any offense listed or not listed, depending on the severity of the offense. In the case of expulsion, School Board approval is required.**

### **9.2.11 Bullying and Harassment**

Bullying and harassment is unacceptable behavior for students at PBA and will be dealt with very seriously. Students are encouraged to tell their teachers if they are being bullied or harassed by others.

- Bullying means "systematically and chronically inflicting physical hurt or psychological distress on one or more students and may involve: teasing, social exclusion, threat, intimidation, stalking, physical violence, theft, sexual, religious, or racial harassment, public humiliation or destruction of property.
- Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against a student or school employee that places the student or school employee in fear of harm to his or her person or damage to their property, that substantially interferes with the student's school performance, or has the effect of disrupting the orderly operation of the school

## **9.3 Explanation of Disciplinary Actions**

### **9.3.1 Verbal Reprimand**

Is to be given by the teacher and used as a teachable moment.

### **9.3.4 Behavioral Probation**

Probation gives the student an opportunity to correct a serious discipline problem.

While on behavioral probation, students cannot participate in athletic or extracurricular activities (including field trips). If the behavior pattern does not improve to a satisfactory level of the Administration, the consequence may be expulsion.

The Administration will set the terms of the probation (including the items that must be improved and the time limit of the probation period). Probation is put into place at the discretion of the Administration. **Parents will be notified in writing when probation is given.** Faculty may recommend probation, however the final decision lies with the Administration.

New students will be on a 45 day (calendar) probation. If there are any disciplinary referrals in that period, the Administration will reserve the right to dismiss the student for the remainder of the school year.

Behavioral probation procedures:

- Warning that student is subject to suspension or expulsion if improvement is not made.
- Specific items to be improved within a specified time line will be established in writing.
- Students will be removed from all athletic or extracurricular activities (clubs, committees, field trips, etc.) until the probation period is over. Students may not practice with teams, travel with teams, attend school events (athletic or otherwise) or attend meetings while on probation.
- Removal from probation will be set by the Administration.

### **9.3.5 Suspensions (OSS)**

The Administration may suspend students for a period of one to five school days. Suspensions are given at the Administration's discretion and are not open for appeal.

Students who are suspended cannot participate in athletic or extracurricular activities (clubs, committees, field trips, special events such as Homecoming, Joy Night, Fall Festival, etc.). Students may not practice with teams, travel with teams, attend school events (athletic or otherwise) or attend meetings while on probation. **A suspended student may not return to campus or attend any school sponsored events (athletic events, PTO, etc.) during the suspension unless accompanied by the parent for a specified conference or to attend a church function.**

The student will receive an unexcused absence and a zero for all missed work during the suspension. Students may not make up work or tests that are missed. **Any student who is suspended twice in one year may be expelled for the remainder of the school year.**

### **9.3.6 Expulsion**

Expulsion may be the result of, but not inclusive of:

Repeated misconduct

Failure to follow probation guidelines in the time allotted.

A serious breach of the school's accepted pattern of behavior

An action that seriously harms the name of Christ and/or the school's reputation in the community, especially of an immoral nature.

A habitual attitude not in harmony with the goals and spirit of the school.

The purpose of the action taken by this school is thought of as disciplinary rather than punitive action. We want the students to grow and lead a life that is Biblically moral and acceptable. Our past experience has shown that when incidents of the aforementioned occur, no one, including the School Board, administration, teachers, students, or parents come out the winner. It is the desire of the administration that parents control their children and cooperate fully with us in these manners so that these difficult situations can be avoided.

The following information, relative to expulsion, should be noted:

- The decision to expel a student is made by the Peniel Baptist Academy School Board. The decision is by majority rule; the final decision is accepted and carried out with the support of the entire Board.
- The student and his/her parent shall be notified verbally and in writing as to the reasons for expulsion.
- An expelled student may not return to campus or attend any school sponsored events (athletic events, PTO, etc.) during the expulsion unless accompanied by the parent for a specified conference or to attend a church function. Exceptions to this policy require a written request by the parents of the expelled student AND specific approval by the School Board to attend a siblings graduation.

### **9.3.7 Readmission**

A student who is expelled will not be allowed to re-enroll at PBA for the remainder of the school year from which he/she was expelled.

Parents who wish to re-enroll a child who has been expelled during the previous school year must present a request to the Administration in writing stating the steps that have been taken to ensure that the behavior will not reappear and that parents are in full cooperation with the school and its Administration.

## **9.4 Searches for Suspicion of Unauthorized or Illegal Articles or Materials**

PBA reserves the right to search a student's belongings if the school suspects that the student may possess any prohibited items such as, but not limited to: cigarettes, alcoholic beverages, narcotics or drugs of any kind, fireworks, guns, or anything that even resembles a weapon, anything which poses or may pose any danger of damage or injury to the students or facilities of the school. The search may be conducted without the student's or parent's permission, and registration of the child constitutes parental consent

to such searches.

The following may be searched: automobiles, backpacks, purses, pockets, lockers, desks, etc. If any unauthorized articles or materials are found, the parents will be notified and the student may be dismissed from the school without refund of fees paid and may be turned over to the appropriate law-enforcement personnel (see Unacceptable Behavior).

**Personal Internet Pages:** *Students who have a page on Social Media (Facebook, Twitter, Instagram, Snapchat, etc.) or any such public internet site will be held accountable for its content and may be asked to open and allow the Administration to view the page if a question has arisen concerning its contents. Material that is deemed inappropriate will be subject to disciplinary action, including removing the materials in question from their site.*

**Electronic Devices:** *The content of any electronic device (i.e. cell phones, Ipads, Ipods, Tablets, etc.) may be reviewed by the school administration if a question has arisen concerning its content. Students will follow the school rules concerning “Electronic Devices on Campus”. Material that is deemed inappropriate will be subject to disciplinary action, including removing the materials in question from the device.*

## 10. EXTRACURRICULAR ACTIVITIES

### 10.1 Eligibility

Academic eligibility rules for all sports, offices, and other extracurricular activities are: students must maintain a “C” average at the conclusion of each semester. Earning more than one “F” in a semester will result in automatic ineligibility from any sport, office, club or other extracurricular activity. Ineligible students may not practice with teams, travel with teams, attend school events (athletic or otherwise) or attend meetings while on probation. Eligibility will be determined the day the report cards are issued.

Students may regain their eligibility if they meet the aforementioned requirements on the following report card. Students lose any and all positions when they become ineligible (team captain, starting players, club officer, etc.) and do not automatically gain the position back if they become eligible again.

Students who are on probation for a disciplinary incident or on academic probation may not participate in any sport, office, club or other extracurricular activity. Athletes will be required to turn in all athletic equipment and uniforms as soon as they are determined to be ineligible.

Transfer students will receive a grace period of 9 weeks and must have a “C” average for the last semester at their former school.

## 10.2 Athletic Programs and Purpose

PBA is an affiliate member of the Florida High School Athletic Association and a founding member of the Florida Christian Athletic League. This league provides our students the opportunity to compete in co-ed soccer, boys' and girls' basketball, girls' volleyball, girls' fast-pitch softball, boys' baseball, boy's football and girl's cheerleading against small Christian schools in the northeast and north central Florida regions. This league also gives our school the opportunity to compete in end of the season tournaments and championships. We also compete with local public schools and other FHSAA schools.

Below are student guidelines for PBA activities:

1. Students in the 6th-12th grade are eligible to participate
2. Students must meet the academic eligibility stated above
3. Students are selected on a try-out basis
4. Students must follow the school dress code
5. **An activity fee, per student, per sport, is due BEFORE a student may participate.**
6. Uniforms - Uniforms are school owned and will be checked out for use and return at season's end. Students will be required to purchase some uniform items.
7. All athletes are responsible for returning any school owned uniforms at the end of the season. If uniforms are not returned, a charge for the cost of the uniform will be applied to the student's school account. Report cards will not be given until the account is paid.
8. All athletes are required to have an annual sport physical on file in the school's office. All physicals must have been done within the last 12 months.
9. Behavior and attitude should be Christ-like. This includes traveling and the attendance at the game. **Any student**, on probation, or suspended from school is ineligible to play until the terms of the probation period are over or it may be extended until the coach deems it necessary.
10. All team players must be present in school at least half a day the day of the sports event in order to participate in that day's game (see "Sports Attendance Rule"). Coaches need to be advised of your absence as soon as possible. This will be closely monitored for compliance.
11. All team players must ride with the team to the game sites unless otherwise approved by the coach. Players may ride home with their parents. If a player is riding home with someone other than their parent, they must have written parental permission. Verbal permission is not acceptable.
12. All athletes will participate in fundraisers for their sport. Our athletic program is self-supporting and requires the athlete's participation. Athletes who do not participate in the fundraising will be responsible for the money that would have been raised had the athlete met his goal.
13. A gate fee may be charged at home or away games according to IAW FHSAA rules.
14. Athletes must be a sophomore, junior, or senior to receive a letter in a sport. How an athlete letters depends upon the sport and is completely up to the discretion of the head coach.

### 10.3 Behavior at Athletic Events

Although the tempo of athletic competition often lends itself to becoming emotionally involved, we do not tolerate un-sportsmanlike conduct from players, cheerleaders, or spectators at either home or away games. **Respect is to be shown at all times to game officials, opponents, and persons from schools against whom we compete.** Please do not "boo" or ridicule the opposing team or the officials because of a call they make or do not make. We do allow and encourage spectators to cheer and shout encouragement to the teams. Students and parents should also be appropriately and modestly dressed.

### 10.4 Clubs

Clubs may meet through the school year. These clubs are available to all Jr./Sr. high school students who are interested and meet the eligibility requirements for all extracurricular activities. Meeting may be held during school hours, before school, during lunchtime or after school. All meeting dates and times must be approved by the Administration. All clubs must have a staff sponsor. Officers in all clubs must follow the guidelines set forth in the Student Council Policy.

### 10.5 Joy Night

PBA holds an annual "Joy Night" in the latter part of each school year. 9th-12th grade students are eligible to attend with the purchase of a "Joy Night" ticket(s). Students are permitted to bring a guest to the event. **All guests must be in the 9th grade or above and must adhere to the dress code (see "Dress Code for Formal Events").**

"Joy Night" is a formal event filled with fun, food, and Christian fellowship giving students time to reflect on the friendships they have made throughout the year. The tone of the evening is a reminder to stay on the right path (God's path) and to find that there is "joy" in serving the Lord. Psalms 34:9, "And my soul shall be joyful in the Lord: it shall rejoice in his salvation."

At Joy Night, students must follow the "Dress Code for Formal Events" found in this handbook.

### 10.6 Senior Trip

Senior classes who have demonstrated a daily walk with Christ before their parents, peers and the faculty and staff of PBA may be allowed the privilege to go on a senior class trip. Senior class members who have a negative and critical attitude towards the school and who are not encouraging to other students will not be allowed to attend. Senior class members who are on probation or who have committed serious breaches of behavior will not be allowed to attend.

The Administrator and the senior class sponsor will take student suggestions for locations for the trip. **However, the ultimate decision for the senior class trip lies with the Administrator. The Administrator also approves all chaperones which will consist of PBA staff.** Parents are not asked to be chaperones on this trip.

School attendance will still be required of those students who are not allowed to attend the trip or who choose not to attend.

## **10.7 Student Council**

High School students are able to participate in student council. The purpose and goals of the student council is to give students experience in correct parliamentary and democratic procedures. Class and club officers at PBA are held to a higher standard than the student body in general. Because of their position of leadership as class or club officers, they are expected to set the moral and ethical example for the student body to follow.

### **Election of Officers:**

1. Student must have been a student at PBA for at least one semester.
2. Student must have met the eligibility criteria for extracurricular activities.
3. Student must not be on academic or disciplinary probation.
4. Student must be approved by the administration.
5. Classes will elect one representatives class to serve on the council as outlined in paragraph titled “responsibilities”.
6. Students who want to be elected for student council will campaign, submit and present a campaign speech, and present a personal testimony.
7. The position of Chaplain requires a testimony of salvation.

### **General Policies:**

1. Officers may hold office each succeeding year.
2. Officers are expected to hold the role as officer for the entire year unless they become ineligible.
3. Officers are expected to be in harmony with the objectives of the school at all times.
4. Officers are expected to attend all class or club related functions.

### **Responsibilities of Officers:**

1. The President shall conduct meetings and guide and direct the council/club to reach its goals and objectives. (Senior Class)
2. The Vice-President shall assist the President in his/her duties as directed by the President and assume the duties of the President in his/her absence. (Junior Class)
3. The Secretary shall take detailed minutes of each meeting and present them in typed format to the Student Council Sponsor, President, Vice President and at least one representative from each class within 3 days of the meeting. (Sophomore Class)
4. The Treasurer shall assist the Student Council Sponsor in keeping accurate records of class funds. (Freshman Class)
5. The Chaplain shall start and close each meeting and activity with prayer, provide a short devotional, and assist in the spiritual growth of each member. When possible, the Chaplain should be a young man and have a personal testimony of salvation.

### **Guidelines for the Removal of Officers:**

1. Accumulation of referrals
2. Receipt of a suspension
3. Conviction of any criminal offense.
4. Ineligibility due to grades, academic and/or disciplinary probation
5. Determination by the administration that an officer is not in harmony with the objectives of the school.

*“Let the little children come unto me,  
and do not hinder them, for the  
kingdom of God belongs to such as  
these.”*

*Luke 18:16*
