## A NOTE FROM MR. EVANS

*Wow! It is hard to believe first quarter is already over! It is a real privilege for us to be able to work with your sons and daughters. It has been a great quarter. Though we have had a few challenges, I want to take this opportunity to celebrate a few things-*

*In our first quarter we have seen several students come to know the Lord as their personal Lord and Savior! We have enjoyed success as the volleyball and football teams have had so many wins this year. We have seen our worship team grow and develop in chapels. It has been fun seeing our music classes develop. The art displays and student work that decorates our halls is amazing. What a great Spirit Week/ Homecoming, Grandparents Day and Open House. We have also appreciated all that the PTO has done-thank you to the officers and parent volunteers.*

*I have been so blessed by the first quarter! I am looking forward to what God will do during the second quarter.*

*God Bless,  
Bill Evans*
